## DE L'EUROPE AMSTERDAM IS BRINGING THE FRENCH RIVIERA TO THE HEART OF AMSTERDAM

Amsterdam, 6 June 2019 – A place where summer is celebrated every day, completely in southern French style, De L'Europe Amsterdam launched its 'Marie'. Surrounded by greenery, the scent of lavender and the Provencal cuisine, Marie Sur l'eau is the new summer spot of the five-star luxury hotel. With four different areas inspired by the Côte d'Azur, you can enjoy a brasserie-style menu for lunch and dinner or for refreshing cocktails in the cozy lounge corners. For the true sun lovers, there is a dedicated sun deck. The French Riviera has never been so close..

A brasserie named after a strong and independent woman: the wife of Gerard Heineken. With a great interest in fashion, travelling to the Côte d'Azur and visiting botanical gardens, Marie invites you to indulge in her world of exquisite taste, love for the colourful French Riviera and endless summers. Enjoy the delicious flavours of the Côte d'Azur in both the 'Brasserie' and 'Sur l'eau' in the heart of Amsterdam.

The terrace is the first visible change of a bigger project for De L'Europe Amsterdam. The coming 1,5 years, the hotel will undergo a redesign in collaboration with Amsterdam interior design studio Nicemakers. *'The goal of the new terrace is to make it even more inviting and accessible for locals as well as hotel guests. We want the visitors of Marie to feel welcome and at home'*, says Dax Roll of Nicemakers. The style of Marie is feminine and elegant, but with an Amsterdam charm and allure.

The brasserie, formerly Hoofdstad Brasserie, will undergo a redesign in Spring 2020 with subtle changes.
